Director's Message

Welcome to *Scale New Heights, Climb Every Mountain*, presented by 184 graduating Kindergarten Two children!

Today's performance is a musical adventure, reflecting the spirit of taking courageous steps toward attaining one's dreams. With pride, our children will showcase their musical and performing talents through song, dance and speech and drama presentations.

As an ode to our music-infused curriculum, our choice for this year's concert is inspired by *The Sound of Music*. The musical narrates how it is inevitable to face obstacles in our lives. However, as we Climb Every Mountain, we overcome every obstacle and emerge victorious once again!

This year also marks the return of physical events for teachers and children. We are also very heartened and grateful to be able to hold this graduation in a physical setting for the first time in two years. For the children especially, the feeling of coming together to rehearse and put together a performance, and seeing their loved ones watch them in person, is irreplaceable.

Their performances today recap all the lessons and experiences they had with Kinderland. Like the characters in *The Sound of Music*, our Kinderlanders displayed bravery, determination and love for one another in their learning journey.

My heartiest congratulations to the graduating Kinderland Class of 2022, and to you, parents and guardians.

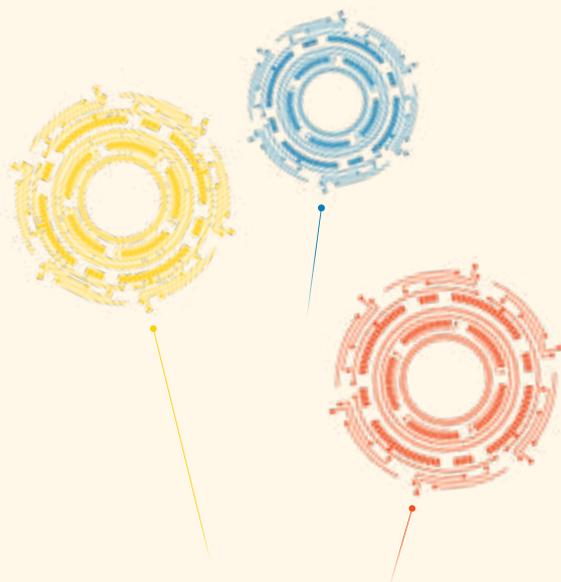

Dr Carol Loy

Director of Curriculum &
Professional Development

Our Musical Journey

Scan the QR code to watch our 2022 Marching Band performance.

Preschool Marching Band

Music plays an important part in the development of every Kinderland child. On top of our successful Children's Music Programme, the team conceptualised a preschool marching band in the late 2000s – something unheard of outside Japan. With the assistance of Ms Hiromi Kurimoto, one of Kinderland's external advisors, our preschool Marching Band became a reality. Singapore's first and only Preschool Marching Band made its debut at Kinderland Sports Fiesta in 2010.

Being part of a marching band reinforces children's musical knowledge and motor skills. It also fosters discipline and teamwork, and enables children. The preschool marching band has performed numerous times for dignitaries and at occasions like World Water Day and Octoburst 2019 and 2022.

The marching band proved to be a continued success and even saw the addition of the Stage Ensemble in 2017.

This year, for our virtual marching band, 53 Nursery, Kindergarten One and Kindergarten Two children came together to perform two pieces.

Our marching band was also invited to be the opening act for Octoburst! A Children's Festival, organized by Esplanade Singapore.

It is with much honour and excitement for our children to return to physical performances.

Our Marching Band rehearsing for Esplanade's Octoburst opening performance.

Our pianica ensemble performance at Kinderland Graduation Concert 2022

Stage Ensemble

With its inception in 2017, Kinderland's preschool stage ensemble created more platforms for our children to showcase their music learning. Our preschool stage ensemble has been invited by Early Childhood Development Agency, People's Association and Esplanade to perform at various events.

Our stage ensemble performance at Kinderland Graduation Concert 2022

Holistic Growth and Giving Back

Start Small, Dream Big (SSDB) 2022

The theme for this year's SSDB is "Our Family, Our Community!". In this year's projects, children learnt the importance of their involvement in their community. They practised different acts of kindness in school, at home and in the community.

For Children's Day 2022, our children from Kinderland Academy @ Yio Chu Kang raised a total of \$1,055 from the sale of coupons for the mini funfair organised in school for the celebration. The sum was used to purchase groceries for the elderly residents of Econ Nursing Home (Econ Healthcare). In Kinderland, we cultivate the habit of giving through everyday acts of care and empathy.

We hope to inspire children to connect with their society and participate in caring for the community around them.

Kinderland Preschool @ Hougang embarked on a little entrepreneurship project for SSDB. As part of this project, the preschool held a Charity Sale and funds raised went towards Garden City Fund for the Plant-A-Tree Programme.

As part of its annual Corporate Social Responsibility (CSR) initiative, more than 1,000 preschoolers across 12 Kinderland centres came together in a class-collaborated effort. They designed a limited edition set of 2022 red packets to raise funds for the elderlies at Lions Befrienders (LB). Through the five years of partnership with LB, Kinderland has inculcated compassion through community service. We hope to promote character building in children by instilling the spirit of giving and good values.

Through the fund raising, Kinderland pledged a contribution of \$10,800. This contribution supported up to 500 seniors through LB's integrated eldercare service. Parents, family members and community partners also came together to support our children's efforts in giving back to the community. We are grateful for our families' enthusiastic support in helping us achieve our children's goals for the SSDB project.

S.T.R.E.A.M. Projects

Kinderland Academy @ Yio Chu Kang, Kinderland Preschool @ Pandan Valley, Kinderland Preschool @ Marine Parade and Kinderland Preschool @ Hougang were involved in this year's S.T.R.E.A.M. Projects. The theme for the S.T.R.E.A.M. project across these centres was "Indoor Garden Structures".

Through S.T.R.E.A.M. (Science, Technology, Reading & wRiting, Engineering, Arts, Mathematics), children developed habits to problem solve as independent thinkers. There were many opportunities for children to inquire, explore, enhance their intellectual abilities and apply the knowledge they have gained.

Children demonstrated their understanding and interest using a KWL (What I know, what I want to know, what I learnt) chart.

Children learn through the process of constructing prototypes.

Children at Kinderland Preschool @ Hougang expressed creative thinking, seeing LEGO blocks as a colourful, fun way of measurement. They also practiced their math while measuring the height for the structure they were about to build.

We love the 3Rs (Reuse, Reduce, Recycle)! Children at Kinderland Preschool @ Marine Parade upcycle materials in good conditions to make part of their indoor garden structure.

Teachers' Training

Professional development is crucial in ensuring that educators regularly update and refresh their knowledge and teaching skill sets. Kinderland is committed to this cause, as seen in our bi-annual teacher training sessions.

Kinderland Professional e-Development Day

Our colleagues from Kinderland and its sister-brand centres in Singapore, China, Malaysia, Indonesia, Cambodia, Vietnam and Bangladesh attended a virtual training titled "Understanding children: Insights into inclusivity and diversity". There were three concurrent topics focused on inclusive education to support the Early Childhood Development Agency's (ECDA) initiative to equip more educators to identify and better guide children with developmental learning needs.

The session was designed to support teachers in addressing the evolving learning needs of preschool-age children.

From the sharing, teachers learnt essential problem-solving skills that helps them with catering to the learning needs of our young children, including those with developmental needs.

Centre leaders and teachers learnt about agile problem-solving and providing intervention and support in an inclusive education environment.

Dr Carol Loy addressing our educators at Professional e-Development Day

Learning never ends – Our happy educators learn from one another to level up their professional skills.

Kinderland Day 2022

On 1 September 2022, more than 250 Kinderland educators from Singapore and across the region came together for learning. The virtual seminar was conducted by Dr Akira Maehashi, one of the group's early education advisors. Participants learnt from his sharing of the highlights from his research paper titled 'Guidance for Physical Education for children with disabilities through sensory and fitness training'. These new skills learnt will go on to support Kinderland educators in championing for inclusivity in preschools!

Our educators from Kinderland Preschool @ Marine Parade creatively expressing themselves for our 'Most Creative pose' contest!

Our Teachers, Our Pride

2022 National Preschool Teaching Aid Competition (Creative Picture Book Storyboard)

At Kinderland, we strongly encourage our teachers to test their creativity and stretch their limits by joining industry competitions. Partaking in competitions encourages new ideation for teaching and allows teachers to be exposed to new knowledge and perspectives.

The competition was organised by the Singapore Centre for Chinese Language (SCCL). It aims to encourage early childhood educators, students, parents and members of the public in Singapore to design creative picture book storyboards as aids for teaching and learning the Chinese language.

Kinderland is proud to have two teams from Hougang and Sengkang awarded with two out of the six prizes' categories.

"Who Created Trouble?" 《谁惹的祸》

Caption: (From left to right): Ms Tng Bee Tin and Ms Koh Li Hoong from Kinderland Preschool @ Hougang receiving their "Excellence Award" from Dr Foo Suan Fong, Executive Director, SCCL.

(From left to right) Dr Foo (third) presenting the "Consolation Award" to Ms Zhang Chun Hong, Ms Lin Meng Ya, Ms Zheng Shi Quan and Ms Huang Ai Li.

Team Kinderland Preschool @ Hougang clinched the "Excellence Award" with their book titled "Who Created Trouble?". Team Kinderland Preschool @ Sengkang received the "Consolation Award" for its storyboard "What Smells So Good?".

This recognition speaks volume for the good work our teachers put into designing creative teaching aids for teaching learning Chinese Language with efficiency, engagement and retention for the children.

“Dear K2 children,

My heartiest congratulations to you on completing a significant milestone in your learning journey! You have exhibited excellence and shown your ability to take on new challenges as you move on to the next chapter of your lives. On behalf of all at Kinderland, I wish you every success in your future endeavours. I am certain that you will make us, and more importantly yourselves, proud. Lastly, do remember to eat well, play hard and put your best foot forward always.”

Ms Susan Tan
Principal

Kinderland Academy @ Yio Chu Kang

Early Childhood Innovation Award

We are excited and honoured to be given recognition for the centre's efforts to nurture innovation through innovative practices that have benefited our young. We thank all children and parents for the relentless support given!

Kinderland Academy @ Yio Chu Kang received the Early Childhood Innovation Award (Commendation) award at the ECDA Awards 2022.

Kinderland Academy Outdoor Play

This year, we introduced a whole new play structure at Yio Chu Kang to offer our children greater fun outdoors. It is time to put our children's agility to test at the playground!

Spaces are plenty at Kinderland Academy @ Yio Chu Kang for our young to learn, play and interact!

S.T.R.E.A.M Projects @ Kinderland Academy

Inspired by the nature around the campus, our children designed and constructed an indoor garden structure, incorporating a simple gardening water system. Kinderland's S.T.R.E.A.M. programme engages our children through inquiry-based projects that refine their social skills and resilience at the same time!

* S.T.R.E.A.M. stands for Science, Technology, Reading & wRiting, Engineering, Arts, Mathematics

This year, our children took on the task to improve sustainability with nature in their S.T.R.E.A.M. project.

Annual Carnival

Breaking away from the two years of social distancing, Kinderland Academy @ Yio Chu Kang reintroduced the long-missed annual carnival! It was awesome to once again see the smiles on our infants, toddlers and children's faces! The wonderments of childhood have returned to fill the air!

Children at Kinderland Academy @ Preschool watch as their peer try their luck at a popular carnival game stall.

“To my wonderful K2 children, I enjoyed popping into your classroom and chatting with you. I love how you laughed heartily, spoke with confidence and asked questions. I love seeing the concentration and focus you displayed while on task. I recalled the wonderful conversations we had caring for our caterpillars 老大老二. I will treasure all these memories with each of you. So children, be excited, be brave, be ready to climb every mountain and know that you can do it.”

"Dear K2 children,

It has been a pleasure to witness all of you grow and blossom into such fine individuals that you are now. Each of you are unique in your strengths and areas of improvement and that is perfectly fine. Always believe in yourselves and enjoy learning. Congratulations on your achievements! Remember to have a smile on your face, song in your heart and a dance in your step as you enter Primary School."

Ms Benazir

Principal

March-In

Valedictory Speeches

Children's Music Programme

English & Chinese Performances

So Long, Farewell

Performed by: Kinderland Academy @ Yio Chu Kang and Kinderland Preschool @ Pandan Valley

This performance communicates the nostalgia that our young feels, as they reminisce on the fond memories they have made with their teachers and friends. As they prepare themselves for a new chapter, they take with them confidence and courage they have gained at Kinderland.

My Favourite Things

Performed by: Kinderland Preschool @ Hougang, Kinderland Preschool @ Marine Parade, Kinderland Preschool @ Ministry of National Development, Kinderland Preschool @ Revenue House, Kinderland Preschool @ Woodlands Mart

Let us feel the joy of remembering what we keep close to heart and motivate us through tough times. Let the children's dance moves lift our spirits and listen to the story they are sharing!

Edelweiss / 雪绒花

Performed by: Kinderland Academy @ Yio Chu Kang and Kinderland Preschool @ Hougang, Kinderland Preschool @ Marine Parade, Kinderland Preschool @ Pandan Valley, Kinderland Preschool @ Choa Chu Kang (beside Lot 1), Kinderland Preschool @ Choa Chu Kang (Sunshine Place), Kinderland Preschool @ Ministry of Manpower, Kinderland Preschool @ Revenue House, Kinderland Preschool @ Sengkang, Kinderland Preschool @ Woodlands Civic Centre

Edelweiss is the national flower of Austria. It symbolizes bravery because wild edelweiss survives on the mountains with the harshest conditions. Edelweiss is likened to the notion of perseverance and deep attachment to one's motherland. This performance expresses that with bravery, courage and resilience, our children can overcome any challenge.

雪绒花是奥地利的国花，它象征着勇敢，因为野生的雪绒花生长在环境艰苦的高山上，因此将雪绒花比喻为坚韧不拔的品格，以及对祖国奥地利深沉的眷恋。

I Am Confident

Performed by: Kinderland Academy @ Yio Chu Kang

A cheerful song showcasing our confident students' energetic dance moves! This song is about optimism in everyday life and what the future brings. Like the song lyrics- "What will my future be? I wonder", the children's future would be filled with endless possibilities!

The Lonely Goatherd

Performed by: Kinderland Preschool @ Choa Chu Kang (beside Lot 1), Kinderland Preschool @ Choa Chu Kang (Sunshine Place), Kinderland Preschool @ Marine Parade, Kinderland Preschool @ Ministry of Manpower, Kinderland Preschool @ Pandan Valley, Kinderland Preschool @ Sengkang, Kinderland Preschool @ Woodlands Civic Centre, Kinderland Preschool @ Woodlands Mart

In *The Sound of Music*, "The Lonely Goatherd" was written for the character Maria. She used the song to comfort the children in the story after they were frightened by the thunderstorm. This upbeat yodelling song will instantly get our children swinging into a dance.

Speech and Drama (For selected centres only)

Kinderland Song

Finale

Kinderland School Song

It's a brand new day in Kinderland,
It's a brand new day in Kinderland,
I'm so happy to meet my friends,
Each and every day in Kinderland

We make words with A, B, C,
Fun with numbers 1, 2, 3,
Singing songs in Do, Re, Mi,
Kinderland's the place for me!

Here we learn to love, to share and care,
Play along with one another too,
Work together and help ourselves,
Kinderland's the nicest place to be!

馨乐园是我的欢乐园，
大家天天欢聚在一起，
一同游戏一同学习，
馨乐园里快乐无比，
横竖撇捺真有趣，
一二三四五六七八九十
唱起歌儿 Do Re Mi，
馨乐园是我的天地，
馨乐园是我的欢乐园，
大家天天欢聚在一起，
一同游戏一同学习，
馨乐园里快乐无比！

Kinderland Preschool @ Choa Chu Kang (Sunshine Place) 14 December 2022

"Today is bittersweet because we are sad to see our K2 children leave, yet we are excited to see what they have accomplished thus far. Many of the children graduating today have been with us since Pre-Nursery. I hope our children will look back on these years with fondness and have built great memories at Kinderland.

Children, may the friendship you made last a lifetime. May the lessons you learnt serve you well in the future. So it is with happy memories, I bid goodbye at the door, with great hope and anticipation for what the future holds in store."

“Dear K2 Parents and Graduands,

It feels great to finally gather together as one big family to witness the graduation of the K2 children live on stage. This opportunity opened doors for the K2 children to showcase the skills that they have learnt throughout their Kinderland years. Let us celebrate their achievements and effort together! Thank you parents and children for the years of support and partnership that I will forever cherish.”

Ms Mahirah
Principal

Memory Lane

Hello, Again!

This year, the buzzword is “first time” but the context is that it is the “first time” in two years, “First Time” in a long while. It indeed has been quite a wait but we finally are able to enjoy the festivals and events and the physical presence of one another in person.

With the easing of the safety measures, this year, our children and staff participated in several key physical events such as MOM National Day Observance Ceremony, Esplanade’s Octoburst 2022, Revenue House’s President Challenge donation drive and our annual Graduation Ceremony.

The experience of enjoying an event in person, in a multi-sensory environment is unparalleled.
